PUBLIC MEETINGS

Expanding Arizona's Transportation Options

Your Input is Needed

On January 8, 2007, Governor Napolitano issued an executive order directing the Arizona Department of Transportation (ADOT) to report on statewide transit options to serve and connect as efficiently as possible those Arizona communities for which such options would be cost-effective. The ADOT report will include information about transit needs as well as an assessment of potential public and private funding sources.

The public is encouraged to attend an open house to provide input regarding options for mass transit, commuter rail, and light rail. The purpose of the open house is to identify public interest and concerns, and answer questions about the project.

For additional project information, contact Jim Dickey, ADOT Public Transportation Division Director, 206 S. 17th Avenue, Maildrop 340B, Phoenix, AZ 85007; phone: 602-712-8137; fax 602-712-3046; e-mail: jdickey@azdot.gov.

Americans with Disabilities Act (ADA): Persons with a disability may request reasonable accommodation such as a sign language interpreter, by contacting Theresa Gunn at 623-362-1597. Requests should be made as early as possible to allow time to arrange the accommodation. This notice is also available in alternate formats by contacting Ms. Gunn.
